Specific Product Information	Elixir Eau De Parfum
Net Weight / Volume	Not Applicable
Instructions for safe use	Mugler fragrances are not applied in the same way as others. They deserve a unique, dedicated ritual designed to provide the best possible enjoyment of the scent's quintessence and voluptuousness: The "Mugler cloud". First, spray a generous amount of Angel Elixir in a circle in front of you to create a cloud of scent. Step into this magnetic halo. Let the charm operate.
Product Expiry	Check product for expiry date
