Instructions for safe use	Step 1 Prep your complexion with our oil-free, La Base Pro primer for longer wearing makeup and a smoother canvas. Step 2 (Optional) To address concerns such as dark circles, discoloration & rosacea, dab a pea-sized amount of Teint Idole Ultra Wear Camouflage Corrector onto the problem area. Step 3 Apply Teint Idole with the Lancôme foundation brush #2 or your favorite makeup tool. When using a foundation brush, lightly feather the product, starting where there is the most discoloration and blend outward. Pro Tip: For a dewier, freshly plumped look, add a few drops of Genifique Advanced Youth Activating Serum to the foundation, mix it and apply as needed!
