| Instructions for safe use            | Spray a mist of perfume in front of you and walk through it to fully immerse yourself in the scent. You can also spray the fragrance on your pulse points: wrists, inside of your arm, your neck and/or your chest.                                                                                                                                       |
