Ingredients Information	
Ingredients	<p>Hyper Real Serumizer™ is powered by our Pro-4 Power Infusion Matrix™ that features resilient and rare Japanese Peony Extract, 4% skin-refining Niacinamide, hydrating and plumping Hyaluronic Acid, and restorative Ceramides to deliver immediate and long-lasting results.

 More specifically:
 • Resilient and rare Japanese Peony Extract evens skin tone, visibly improving skin's radiance over time to deliver healthy-looking, naturally glowing skin.
 • Skin-refining Niacinamide helps to increase cell turnover, gently refining skin texture and increasing skin's radiance over time.
 • Hydrating and plumping Hyaluronic Acid delivers a burst of rejuvenating moisture.
 • Restorative Ceramides protect and improve the skin's barrier strength and aid in moisture retention.

 Empowered with Alpha and Beta Hydroxy Acids, including Glycolic, Lactic, Citric and Salicylic Acids, this formula retexturizes skin and reduces the appearance of pores, dullness, fine lines and wrinkles over time.
 Infused with a blend of ultra-fine, light-diffusing pearlescent particles, the formula subtly enhances skin for a healthy-looking glow.</p>
