| Instructions for safe use        | <p>THE ROUTINE Kickstart your shower routine with the De-Stress Shower Oil, formulated to deliver silky smooth and beautifully clean skin. This luxurious oil-to-milk formula gently cleanses and envelops the skin in long-lasting moisture. For extra silky skin, buff the Revive Energising Exfoliator onto wet or dry skin. While grains of sea salt sweep away dull skin cells and impurities, green coffee seed oil creates a protective barrier against environmental aggressors and the essential oils of Grapefruit &amp; Juniper Berry work to detoxify. As a final step before bed, spritz the Relax Sleep Mist on clothes, bed linen or pillows. If your racing mind is preventing a good night's rest, this calming concoction will help you to relax and drift off.</p>  |
