

## DIRECTIONS:

Unscrew cap, remove stopper, replace screw cap back on. Insert reeds into oil, reeds will draw oil upwards to diffuse the fragrance. Allow 24-36 hours for diffusion. If oils are diffusing too quickly, remove some of the reeds from the vessel. Revitalise the fragrance by simply inverting the reeds every 2 weeks ensuring the delivery of fragrance remains. Wipe away residual oil from the bottom of bottle before placing on a protective level surface.

Contains: 4-tert-Butylcyclohexyl acetate, Cedrol methyl ether, d-Limonene.

**WARNING** May cause an allergic skin reaction. Causes serious eye irritation. Toxic to aquatic life with long lasting effects. Avoid release to the environment. **IF ON SKIN:** Wash with plenty of soap and water. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation or rash occurs: Get medical advice/attention. If eye irritation persists: Get medical advice/attention. Dispose of contents/container to approved disposal site, in accordance with local regulations. Contains Eugenol, Tetrahydrolinalool. May produce an allergic reaction.
