Lightly dab the puff directly onto unwashed roots, focusing on areas that look greasy. A little goes a long way!</p> <p>Use your fingertips to massage and blend the powder into your roots. Let the powder sit for a few minutes, then brush or comb through hair to evenly distribute any excess powder.</p> <p>Style hair as usual &amp; enjoy refreshed strands with added texture &amp; volume!</p> <p>PS: The sponge can be hand-washed with gentle soap (baby wash or face wash are great options too!).
