This reed diffuser is an ideal solution to fragrance any room in your home. Simply place the natural reeds within the oil and arrange to form an appealing display. The reeds will absorb the fragrance oil and diffuse it into the air to fill your room with a delicate aroma. For more intense fragrance or to refresh the scent, remove the reeds from the oil, turn the reeds over and reinsert into the glass with the oil soaked ends now exposed to the air.

For optimum levels of fragrance remember
to turn your reeds once a week.
