Fragranced Diffuser

Like a breath of fresh air on a sunny beach, this fragrance opens with ozonic and marine notes before the sweet and juicy notes of melon.

The fragrance in this diffuser will last for weeks depending on temperature and location.

To use:

- Remove outer packaging before use. Read instructions and retain for future reference.
- Peel off the plastic sleeve and carefully remove the stopper from the bottle.
- Immerse 6-8 reeds into the bottle and place on a flat surface, away from strong winds.
- After a few hours the scent will be released from the reeds. The intensity of the fragrance can be decreased/increased by removing/adding reeds.
- Carefully remove the reeds from the bottle, rotate by 180° and re-immerses into the bottle each week to refresh the fragrance.

Place in a secure location and keep out of reach of children and pets at all times. Avoid contact with eyes and skin. Do not place directly on to any unprotected surfaces, as the liquid may harm polished/painted/plastic items. Please place on a solvent resistant tray. Do not use for purposes other than originally intended. Do not light the reeds. Wash hands after use.

Contains Ethyl 2,2-Dimethylhydrocinnamal, alpha-Isomethyl ionone. May produce an allergic reaction.
