

**IMPORTANT
READ CAREFULLY BEFORE USE.KEEP FOR FUTURE REFERENCE.**

Instructions:

Always use ceramic diffuser on a suitable holder. Pour the aromatic liquid into ceramic container. Insert the reed sticks into the diffuser. Invert the reed sticks with completely soaked. For more intense fragrance, remove the reed sticks from the liquid with protected surface, then turn over the reed sticks and reinsert into the bottle once a week.

Notes:

Keep away from pets and children. To prolong fragrance time, keep away from heat and avoid direct sunlight. Do not attempt to use a knife or sharp object to remove the bottle stopper. Do not allow the diffuser to come into contact with furniture, fabrics, finished wood or enamel surfaces. In case of contact, rinse thoroughly with soap and water. If containers are cracked, stop using. Clean up immediately when leakage occurs. Do not allow the diffuser to come into contact with skin and eyes. In case of contact, rinse with water immediately. If you still feel unwell, seek medical advice immediately. The product is not edible. If accidentally swallowed, seek medical advice immediately. Please dispose of contents and packaging in accordance with local regulations.
