Place oil burner on a stable, heat-resistant surface away from draughts and flammable items. Avoid burning on top of TVs or other warm places. Keep out of direct sunlight. Never use if there is any damage to the burner. Do not allow the dish to burn dry.

CAUTION: Never burn the tea light out of its metal container. The burner will get hot. Avoid touching or moving when lit. Allow to cool before moving. Keep wax pool clear of matches or other debris to avoid flaring. If tea light overheats, cover with a damp cloth to extinguish, never use water. Extinguish with care if required. Avoid skin and eye contact with fragrance oil. Do not allow the fragranced wax to contact any polished, synthetic or painted surfaces. Wipe up spillages immediately.
