

## PRODUCT SPECIFICATION SHEET

**PRODUCT NAME:** 4X3KG GIANT STRAWBERRIES

**INTERNAL CODE:** 101386800

---

### 1. ORGANOLEPTIC CHARACTERISTICS:

**Description:** Jelly  
**Weight:** Approx. 8,0g.  
**Colour/Flavour:** Red/Strawberry WITH Green/Strawberry.

### 2. INGREDIENT LIST:

Ingredients: glucose syrup, sugar, dextrose, modified potato starch, corn starch, acids: citric acid; acidity regulator: sodium citrates; fruit and vegetable concentrates: spirulina, safflower, carrot, blackcurrant; flavourings, glazing agent: carnauba wax.

| Ingredients            | ( % ) |
|------------------------|-------|
| glucose syrup          | 41,47 |
| sugar                  | 28,23 |
| dextrose               | 11,20 |
| modified potato starch | 8,54  |
| corn starch            | 6,99  |
| citric acid            | 1,95  |
| sodium citrates        | 0,74  |
| safflower              | 0,21  |
| spirulina              | 0,21  |
| blackcurrant           | 0,04  |
| carrot                 | 0,04  |
| flavourings            | 0,33  |
| carnauba wax           | 0,04  |

### 3. MICROBIOLOGICAL AND CHEMICAL SPECIFICATIONS:

Meets the **RD 348/2011** of 11 March, which approves the quality standard for hard boiled candies, chewing gum, candy and sweets.

Meets the **Commission Regulation (EC) No 2073/2005** of 15 November 2005, on microbiological criteria for foodstuffs, as it is quoted on Chapter 1 Food safety criteria, 1.3 (4): "Regular testing against the criterion is not useful in normal circumstances for the following ready-to-eat foods: sugar, honey and confectionery, including cocoa and chocolate products".

Meets the Commission Regulation (EC) 915/2023, of 25 April 2023, setting maximum levels for certain contaminants in foodstuff.

### 4. SHELF LIFE: 24 Months from the Manufacturing Date.

## PRODUCT SPECIFICATION SHEET

**PRODUCT NAME:** 4X3KG GIANT STRAWBERRIES

**INTERNAL CODE:** 101386800

---

**5. STORAGE CONDITIONS:** 20°/25°C 55-65% H.R. (store in a cool and dry place)

### 6. NUTRITIONAL DATA:

|              | Per 100 g        |
|--------------|------------------|
| energy       | 1434 kJ/337 kcal |
| fat          | 0,2 g            |
| of which:    |                  |
| saturates    | 0 g              |
| carbohydrate | 82 g             |
| of which:    |                  |
| sugars       | 56 g             |
| protein      | 0,1 g            |
| salt         | 0,49 g           |

### 7. ALLERGEN INFORMATION (according to the Regulation (UE) 1169/2011):

| Allergens                                                                                                                   | + Present<br>- Not Present |
|-----------------------------------------------------------------------------------------------------------------------------|----------------------------|
| Cereals containing gluten, namely: wheat, rye, barley, oats, spelt, kamut or their hybridised strains, and products thereof | -                          |
| Crustaceans and products thereof                                                                                            | -                          |
| Eggs and products thereof                                                                                                   | -                          |
| Fish and products thereof                                                                                                   | -                          |
| Peanuts and products thereof                                                                                                | -                          |
| Soybeans and products thereof                                                                                               | -                          |
| Milk and products thereof (including lactose)                                                                               | -(*)                       |
| Nuts and products thereof                                                                                                   | -                          |
| Celery products thereof                                                                                                     | -                          |
| Mustard and products thereof                                                                                                | -                          |
| Sesame seeds and products thereof                                                                                           | -                          |
| Sulphur Dioxide and Sulphites at concentrations > 10mg/Kg.                                                                  | -                          |
| Lupin and products thereof                                                                                                  | -                          |
| Mollusc and products thereof                                                                                                | -                          |

(\*) May contain traces of milk.
