BODY SPRAY TRIO

Two friends. One campervan. An endless spirit of adventure. For over 30 years we've travelled, we've laughed and we've grown. We believe life is for living and more fun with those we love. And what we wear is part of this journey and designed for you to live life in. All day. Every day.

Be confident and wild-spirited with this trio of fragranced sprays:
A masculine fragrance based on notes of amber, patchouli and sandalwood.
A fresh and spicy fragrance based on notes of bergamot, citrus and cardamom.
A woody fragrance based on notes of cedar and vetiver.
