Made in China

# Card insert on top of candle 66 x 74mm

## Burn time: approx 25 hours.

For best results, the first burn should be for approx. 2 hours or until the melted wax reaches the edge of the pot. Clean before re-use.

Not suitable for food or drink.

### CAUTION:

Use in well-ventilated area. Never leave a burning candle unattended. Keep away from anything that can catch fire. Keep out of reach of

children and pets. Always leave 10cm between burning candles. Do not place burning candles in a draught. Do not place candles near a heat source. Only burn this candle upright and on a level heat resistant surface and do not move a burning candle. Trim wick to 6mm before lighting and keep wax pool clear of matches and debris to avoid flaring. Never burn the candle for more than 4 hours at a time. Snuff out the flame, do not blow flame out and never use liquid to extinguish. Keep away from direct sunlight. If container is damaged do not use.
