

Item Identifiers	
Brand	ELEMIS
Item Number	F34465
Article Number	Not Applicable
EAN	641628601752
Legal Online Product Information	
Function	Cleanser
Specific Product Information	ProCollagen Cleansing Balm 100g
Net Weight / Volume	Not Applicable
Instructions for safe use	Discontinue use if irritation occurs.
Product Expiry	Check product for expiry date
Ingredients Information	
Ingredients	<p>Starflower: Starflower oil is from a fully traceable source, right back to the field on a 5th generation farm in the UK, with a very short supply chain. It is pressed just 9 miles from where it is harvested. The seeds from Starflower, otherwise known as the Borage plant, are the richest natural source of GLA, Omega-6 fatty acid, helping to soften, smooth and nourish skin.</p> <p>Elderberry Oil: Elderberry Oil is rich in essential fatty acids, and has a rich, silky skin feel whilst being readily absorbed, supporting skin smoothness, without leaving a greasy skin feel. It is a by-product of the Elderberry Extract production as it is taken from the seeds of the Elderberry fruit. The fruit is rich in anthocyanins, a group of flavonoids that act as natural antioxidants.</p> <p>Optimega Oil: Optimega is a carefully balanced blend of two natural oils pressed in the UK, Wheatgerm and Oat. It has been designed to give a balanced range of Essential Fatty Acids including Omega 6&9. The neat oil is known to help reduce trans epidermal water loss and increase the skin's feeling of smoothness.</p> <p>Padina Pavonica: Padina Pavonica is a brown fan-shaped algae, traditionally found on the Mediterranean coast. A good source of polysaccharides to maintain skin's moisturisation, and support the feeling of hydration. Innovative gentle extraction process harnessing the power of water maintains the integrity of the actives.</p>
