<b>Function</b>	Masks
<b>Specific Product Information</b>	Collagen Night Wrapping Mask 75ml
<b>Instructions for safe use</b>	After cleansing, generously apply toner through to cream on your clean face. Next, complete your skincare routine by applying an even layer of the wrapping mask with a brush or spatula, avoiding the eyebrows, hairline, eyes, and lips. Let the mask dry for about 15 minutes, then go to sleep. The next morning, gently peel off the mask from the edges or rinse it thoroughly with lukewarm water to reveal refreshed skin.
