Function	Moisturisers
Specific Product Information	Triple Collagen Cream 4.0 50ml
Instructions for safe use	Use at the final step of your skincare routine by scooping out an appropriate amount and applying it evenly across your face. Gently spread the cream from the center of your face outward, then lightly pat the skin to help with absorption. For an added glow, try mixing a small amount with your makeup products—this helps prevent cakey texture and leaves your complexion looking radiant throughout the day.
