Specific Product Information	Pure Abundance™ Volumizing Style-Prep
Instructions for safe use	<p>Shake well, then mist evenly onto damp hair. Blow-dry to activate, then style as desired. For optimal results, combine with the full Pure Abundance™ regimen.</p> <p>Stylist tips and tricks: “Give it a really good shake, then evenly distribute through the hair with a widetooth comb. On finer hair, I like to apply as I go — starting at the top of the head and near the face, since that’s where most guests want the most lift and volume.” — Cass Peña, Aveda Artist</p>
