INSTRUCTIONS FOR SAFE USE

How to Use (FREQUENCY):?

Use Pro-Collagen Cleansing Balm, Pro-Collagen Energising Marine Cleanser, Pro-Collagen Vitality Eye Cream and Dynamic Resurfacing Facial Pads every morning and evening. Use Pro-Collagen Marine Cream every morning, at the end of your skincare routine. Use Frangipani Monoi Shower Cream every day when showering.

How to Use (APPLICATION):?

Start with warming an almond-sized amount of Pro-Collagen Cleansing Balm into the skin. Moisten fingertips and continue to massage so that the oil emulsifies into a milk. Rinse off with water or remove with a cleansing cloth. Leave on for 10-15 minutes, once a week as a nourishing facial mask.??

For a double cleanse, mix 1 pump of Pro-Collagen Energising Marine Cleanser into the palms with a little warm water, avoiding the eye area. Gently massage over the face, neck and décolletage with light circular massage movements. Rinse away and continue with the rest of your skincare routine.

Apply a thin layer of Pro-Collagen Vitality Eye Cream to the eye contour, before using Dynamic Resurfacing Facial Pads. Use one pad and gently sweep the textured side over the face and neck in a circular motion. Follow with the smooth side for a radiant finish.

Every morning, apply a pea-sized amount of Pro-Collagen Marine Cream to the face, neck and décolletage using sweeping upward strokes.

Apply Frangipani Monoi Shower Cream when showering. Squeeze a coin-sized amount into wet palms and massage over the body before rinsing off.
