Contains 1-(1,2,3,4,5,6,7,8-octahydro-2,3,8,8-tetramethyl-2-naphthyl)ethan-1-one,  $\alpha$ -hexylcoumarin, linalool, Linalyl acetate. May produce an allergic reaction. Harmful to aquatic life with long lasting effects.

This reed diffuser is an ideal solution to fragrance any room in your home. Simply place the natural reeds within the oil and arrange to form an arrangement. The reeds will absorb the fragrance oil and diffuse it into the air to fill your room with a delicate aroma. For more intense fragrance or to refresh the reeds from the oil, turn the reeds over and reinsert into the glass with the oil soaked ends now exposed to the air. For optimum levels of fragrance remember to turn your reeds once a week.

**To use:** Do not use a sharp object when removing the stopper from the bottle. Use a flat, blunt object to carefully lever the stopper out. Handle with care to prevent spills. Do not turn reeds over on an unprotected surface and use only as directed. **Do not place bottle on an unprotected surface as fragrance oil may permanently damage furniture and fabrics. Use a non-porous ceramic or glass dish to contain any spillage. Wipe up any spillage immediately. Do not allow the reeds to touch any surface surrounding the product.** Fragrance lifespan depends on surrounding environmental conditions. To prolong fragrance lifespan keep away from sources of heat and avoid direct sunlight.

**Caution:** If swallowed seek medical advice immediately and show this container or label. Keep away from sources of ignition. **DO NOT IGNITE REEDS.** Keep out of reach of children and pets.

**PLEASE RETAIN PACKAGING FOR FUTURE REFERENCE**
