

Sink into an exotic paradise with a fresh burst of fruity goodness.
Choose from one of four scented bath and shower fizzers to indulge in a tropical escape of relaxation.

Directions for use:

BATH FIZZERS: Remove shrink wrap. Place one fizzer into warm bath water. Allow to dissolve before use.
SHOWER STEAMERS: Remove shrink wrap. Place one steamer on the floor of your shower tray or bath and ensure it is not in the direct flow of water. Allow the water and steam from the shower to dissolve the steamer and release a subtle burst of fragrance.
