

White Lily & Sandalwood Botanical Candle

A delightful fragrance based around delicate lavender flowers accented by muguet, rose, jasmine and ylang ylang. Top notes of bergamot sparkle whilst the base is cushioned with amber, musk, precious woods and vanilla.

Burns up to 300 Hours.

WARNING

Remove all packaging before use. Read instructions carefully and retain packaging for future reference. Always place candle on a heat resistant tray before lighting. Never leave a burning candle unattended. Always leave at least 10cm between burning candles. Do not burn candles on or near anything that can catch fire. Keep burning candles away from walls and overhanging surfaces. Do not allow wick trimmings, matches or any foreign matter to collect inside the wax pool as these may ignite. Burn away from draughts. Keep away from heat sources. Extinguish carefully if flame becomes enlarged - do not blow out. Do not move a burning or recently extinguished candle. This candle is designed to "tunnel burn" giving an illuminating glow. Wax will remain after burning. Use a candle plate to contain any wax spillages. Regularly trim the wick to 10mm to minimise sooting and ensure the safety of the wick and flame during use. For safety reasons please extinguish carefully, preferably with a snuffer. Do not burn in an enclosed container or candle holder (eg a lantern) to avoid potential overheating.

Contains Linalyl acetate, Linalool.
May produce an allergic reaction.
Keep out of reach of children.
