REPLACEMENT DIFFUSER REEDS
luxury black fibre reeds

Pack contains 10 fibre replacement reeds to be used within a reed diffuser. This reed replacement pack is an ideal solution to re-fragrance any room in your home. Simply place the fibre reeds within the oil and arrange to form an appealing display. The reeds will absorb the fragrance oil and diffuse it into the air to fill your room with a delicate aroma. For more intense fragrance or to refresh the scent, remove the reeds from the oil, turn the reeds over and reinsert into the glass with the oil soaked ends now exposed to the air.

For optimum levels of fragrance remember to turn your reeds once a week.

To use: Do not use a sharp object when opening the packaging. Place the reeds into your chosen reed diffuser. Handle with care to prevent spills. Do not turn reeds over an unprotected surface and use only as directed.

Do not place used reeds on an unprotected surface as fragrance oil may permanently damage furniture and fabrics. Do not allow the reeds to touch any surface surrounding the product.

Fragrance lifespan will vary with surrounding environmental conditions.

To prolong fragrance lifespan keep away from sources of heat and avoid direct sunlight.

Caution: Keep away from sources of ignition.
DO NOT IGNITE REEDS.
Keep out of reach of children and pets.

Refer to back of pack for warnings.
