Directions for use: To activate the light up function pull safety tab from battery compartment on base of the tree light up. Slide ON/OFF switch to ON position. Gently touch the touch button to turn light on. Carefully remove stopper and replace diffuser into the light up base, place reeds and arrange to preferred position.

To use: Do not use a sharp object when removing the stopper from the bottle. Use a flat, blunt object to carefully lever the stopper out. Handle with care to prevent spills. Do not turn reeds over on an unprotected surface and use only as directed. Fragrance can be intensified by adding further reeds if required. The liquid will evaporat over time depending on location and temperature.

Batteries required: Remove diffuser bottle off the tree light up base before replacing batteries. This diffuser requires 3x AAA batteries. Batteries must be replaced by an adult. To replace batteries, use a screwdriver to remove the screws from the battery compartment at the bottom of the diffuser. Insert 3x AAA batteries. Gently press the touch button on the base of the light up heart to turn on. To turn the light off, press the touch button again. Non-rechargeable batteries are not to be recharged. Do not mix old and new batteries. Batteries must be inserted correctly, observing polarity (+/-). Exhausted batteries are to be removed from the item. The supply terminals are not to be short circuited. Remove batteries when not in use for long periods. Store in a cool, dry place. Dispose of batteries properly in accordance with local regulations.

Do not place bottle or reeds on an unprotected surface as fragrance oil may permanently damage furniture and fabrics. Use a non-porous ceramic or glass dish to contain any accidental spillage. Wipe up any spillage immediately. Do not allow the reeds to touch any surface or fabrics surrounding the product.

Fragrance lifespan will vary with surrounding environmental conditions.
To prolong fragrance lifespan keep away from sources of heat and avoid direct sunlight.
