INSTRUCTIONS FOR SAFE USE

Montblanc Explorer is an invitation to a fantastic journey, an irresistible call for adventure. The bottle echoes the earth's two hemispheres, recalling the multiple destinations explored during this olfactory expedition. At the bottom lies Montblanc's emblem, the iconic star representing the six glaciers of the highest mountain in Europe. This unconventional woody-aromatic-leather Eau de Parfum reveals an Italian Bergamot with green fresh notes, contrasted by a rich Vetiver from Haiti and an exclusive Patchouli from Indonesia.
