FUNCTION (IPT)

Exfoliators

PRODUCT NAME

Acid Milk

INSTRUCTIONS FOR SAFE USE

Acid Brightness. A leave-on resurfacing tonic with a blend of exfoliating acids and comforting lipids for radiant, clearer, more refined skin. Powered by the patented Healing Concentrate™, clinically proven to charge skin with minerals for visible glow, bounce, and strength.

Resurfaces and brightens - Potent acid blend: Glycolic & Lactic (AHA), Salicylic (BHA) and Azelaic Acid smooths skin texture, brightens and refines the appearance of pores.

Calm and soothing - Coastal Microalgae help strengthen and shield from environmental stressors and calm visible redness.

Nourish and boost radiance - Ceramides and Oat Kernel Oil (rich in Vitamin E) help nourish and support the skin barrier with a unique blend of lipids and skin-identical ceramides, for a healthy-looking glow

Evening, up to 3 times weekly. After cleansing, apply with a cotton pad. Do not rinse. Follow with serum and moisturiser.
