PRODUCT NAME

Pure Touch Hyaluronic Pressed Powder

INSTRUCTIONS FOR SAFE USE

Sweep Pure Touch Hyaluronic Pressed Powder over the skin with the delilah Finishing Brush, focusing on areas prone to shine. Use light, circular motions to blur imperfections and set make-up without dulling natural glow. For a smoother, perfected finish, gently press into the T-zone to minimise the look of pores and even the complexion. Reapply as needed for touch-ups throughout the day, the hyaluronic-infused formula keeps skin looking soft, hydrated and beautifully balanced.
