

As of the date we last updated this document, we work with 75 tier 1 manufacturers that produce our own label product across 8 countries. 22 of these suppliers are long term, which means we have worked together for over 10 years. The worker numbers referenced below are taken from the most recent Code of Practice audit. We recognise that within the factory these numbers are subject to fluctuations throughout the production year.

You can also view our tier 1 factory list on the [Open Supply Hub](#).
