## REISS REPORTS STRONG SALES GROWTH OVER THE CHRISTMAS PERIOD

Reiss Holdings Limited, the premium international fashion brand, today reported Christmas trading figures for the 9 weeks to 7th January 2023.

Total Group sales for the 9 week period were up +20.3% versus last year. Store sales were up +18.5% and online sales were up +22.3%.

	Sales Growth 9 Weeks to 7th January	Second half to 7th January
Stores	18.5%	14.3%
Online	22.3%	18.3%
<b>TOTAL</b>	<b>20.3%</b>	<b>16.1%</b>

Reiss's financial year ends on 28 January 2023 and full year sales are expected to be up +25% compared to last year, another record year for sales and profit.

Despite the challenging current economic outlook, we believe that REISS is well placed to deliver sales and profit growth in the year ahead; driven by:

- The growing strength and international recognition of the Reiss brand
- The continued improvement, development and extension of our collections
- A market leading Retail and Online platform

Christos Angelides, CEO of Reiss commented:

"Reiss has continued to perform strongly over the Christmas period, reflecting the underlying levels of growth experienced throughout 2022. Sales were strong across all product categories, in all territories and across all channels."
