

VIVA LA LAZY

Summer 2025

FATFACE
MADE FOR LIFE™

At FatFace, we're here for the people who know the best summer days are the ones you don't plan. The ones who linger over lunch, stretch out in the sun, and let life roll by at its own pace. Forget the noise, the grind, and the "always on" mentality.

So kick off your shoes, crank up the playlist, and let's make this the summer of taking it easy, looking good, and not giving a damn. This isn't just a mindset; it's a movement.

Here's to...

VIVA LA LAZY

Embracing the four elements Earth, Air, Water and Fire, the FatFace summer collection pulls on inspiration from the shores to blooming florals. Expect hand-painted originals to vintage-sourced prints and sun-drenched palette, perfect for pairing with salty locks, white sand beaches and golden hour moments. All designed in-house and embodying flattering fits that complement the craft of each piece.

A woman with voluminous curly hair is seated on a light-colored wicker chair on a wooden deck. She is wearing a blue and white patterned spaghetti-strap top and a white skirt with horizontal blue stripes. She is looking off to the side with a gentle smile. The background features a calm body of water reflecting sunlight, with green trees and a wooden railing visible. The word "Swimwear" is overlaid in white serif font across the center of the image.
